- Sample bulletin inserts we can provide to you free of charge. Call or email to let us know how many you need.
- "Baby Bottle Blessing" campaign to help raise awareness.

We are also planning for our team to be available to speak at your location anytime in 2020.

Shortly, we will provide you with a video and Powerpoint slides you can easily integrate into your weekly services.

Finally, we are going to host a live webinar event you can attend on January 28th. This webinar will discuss the impact of abortion on both men and women. You can watch this event from anywhere you have internet access. Be sure to look for an upcoming flyer with additional details about guest speakers and other specifics.
